Furthermore, the MS Program User will also receive many Emails to educate them about other Opportunities to learn whatever Math that is Optimal for the User, and also be given many other Free Math Resources.

The Truth is that 21st Century Math is much easier to learn and master than 20th Century Math which is still being taught today in most schools, AND 21st Century Math opens up many career opportunities for earning a good living. Easy-Peasy!

Furthermore, a MS Program User also can become an Affiliate once they successfully complete the MS Program, which could empower them to earn some money and to help many other students.

II. Your Club can purchase any number of these MS Programs directly from us for \$7.50 each. We will drop ship them any number of the books for \$7.50/each.

Then your Club can resell them to your Club Members or anyone else at any price your Club chooses, \$14.99, the Amazon price, is recommended. Double your money!

III. Anyone using this MS Program will have to acquire a TI30Xa Scientific Calculator, which costs less than \$10 at many places. DO NOT try to use any other calculator due to the differences in functions and Keys, etc.

IV. The MS Program can transform the life of your Members by opening up pathways to many wonderful Career Paths otherwise closed.

Sort of an Open Sesame!
